

# Nicholas Jordan Andersen

Full Stack Web and Android  
Engineer

Hello there, My name is Jordan. I am a full time student, full time Pharmacy tech and full time dad. I am currently seeking a job as a Full stack web or android developer. All this time working, going to school and raising a family has taught me how to manage time well and function under pressure. I am excited to continue to learn more and grow my career.

## Skills

### Web

- JavaScript
- HTML
- CSS/Bootstrap
- jQuery
- React
- Node.js
- MongoDB

### Android

- Java
- SQLite
- Android Studio
- Android ROOM
- XML

## Education

2019 - Dec 2022

**Southern New Hampshire University**

**Computer Science w/ Concentration in Software Engineering**

## Work Experience

Oct 2016 - Present

**Certified Pharmacy Technician**  
**Wal-Mart**

The current job that pays the bills while I finish school. I have learned a lot from time at the pharmacy, like attention to detail and the ability to thrive under pressure, how to work as part of a cohesive group.
